"The Thirteenth Tale" by Diane Setterfield is reminiscent of classic British novels, like "Wuthering Heights" and "Jane Eyre." It has tragedy, romance, moors, and dark, stormy nights. In a way, "The Thirteenth Tale" is a homage to these and all other great works of literature.

### **Amazon com Customer reviews The Thirteenth Tale**

THE THIRTEENTH TALE by Diane Setterfield is not a book you read then forget. It stays with you, taking up brain space, whispering incessantly, like the five notes of a song you can't place, but can't escape. It's beautiful and terrible. And even if you avoid gothic novels like I do, this one . . . This one deserves to be made an exception. Highly recommended (with trepidation).
