## The Tudors The Complete Story of England's Most Notorious

If you are looking for a biography about the Tudor monarchs, this is NOT the book. It is very well written and very very interesting, but it is centered around England less than the royal family. It is a history book about England under the Tudor reign.

#### **Tudor Books The Tudor Enthusiast**

Not a "Tudor" book, but still about English royalty, of course. This book was actually a bit disappointing, considering my great love for the royal family and Duchess Catherine in particular. I found the first half of the book to be dreadfully boring - describing (in unnecessary detail) the lives of Kate's ancestors in comparison to William's.
