Twelfth Night by William Shakespeare Goodreads

Book Review 4 out of 5 stars to Twelfth Night, a comedy written in 1601 by William Shakespeare. There are more reviews written about Shakespeare than either of us know what to do with, on, over or about. So you're not getting a review from me. What I will say is the following: Love him or not, the man can create brilliant plots and characters. Twins. Mistaken identities. Tomfoolery. Witchcraft. A chain of "who's on first" when it comes to which character is in love with which other character.
