Chosen Families The Undead Pool by Kim Harrison Tor com

Harrison never quite lets the tension falter or overwhelms the reader with it, but The Undead Pool is the closest I ve seen one of the Hollows novels come to being a little too fast. However, as a whole, I found it a pleasurable, worthwhile read and installment in the series. Questions are answered; more questions are asked.

The Undead Pool by Kim Harrison Christy's Love of Books

I admit, I get a little weepy and nostalgic when I look at the cover of The Undead Pool. It conveys so much, especially how much Rachel has changed and how far she has come since we first met her in the first book. The Undead Pool is without a doubt, an exceptional installment in The Hollows series.
