The Unfolding Now Realizing Your True Nature Through the

The best book I've read concerning spiritual practice. Almaas has several great books, in particular the Diamond Heart series, but The Unfolding Now is his best. I've read this book many times and always find it applicable as I get older and my practice matures.

The Unfolding Now Ridhwan Diamond Approach Ridhwan

"Almaas is a genius at revealing both the core qualities of Essence and the veils that obscure it, always in language that helps peel away those veils, always holding open the door to the unfolding presence and awareness that remains when the veils have dissolved.

The Unfolding Now Realizing Your True Nature through the

And that's exactly what Almaas does in The Unfolding Now. His best writing to date. A practical guide to living life in an honest, practice-minded manner. If you practice meditation, this will help clarify what you do on the cushion as well as your daily life. I wish there was an opportunity to work with his school, but distance is an issue for many of us. Thankfully, he's given us some wonderful writings.
