

[THE WASTED VIGIL](#)

RELATED BOOK :

The Wasted Vigil Vintage International Amazon de

The Wasted Vigil is one of the most beautifully written books I have read in the past ten years, with striking imagery and flashing colors and complex references to the past, as far back as Homer. The fates of the main characters who live through the multiple invasions of Afghanistan, keep the reader glued to the book, but it is the writing that causes one to reread the text again. This is a novel that I could not put down, twice.
