The Wave novel Wikipedia

It is through the Wave that Ben is enlarging his own ego while crushing his students' individuality to make them function like a single unit. History's repeating of itself. An old saying has it that those who don't know history are doomed to repeat it, and this seems to very well be the case for those involved in the Wave.

The Wave by Todd Strasser Goodreads Share book

I read this book as an assigned book report and wasnt quite sure if I would like it or not. To be completely honest, I picked it because of its title. The Wave. It sounded relaxing to me. However, when I actually read the book, I realized it wasnt about the waves in the ocean at all. It was a pleasant surprise to read something different.
