### **Jean Vanier The Wisdom of Tenderness The On Being**

The philosopher and Catholic social innovator Jean Vanier is a teacher of the wisdom of tenderness. The L'Arche movement, which he founded, centers around people with mental disabilities and is celebrating its 50th anniversary this month. We experience how Jean Vanier brings the most paradoxical religious teachings to life: that there's power in humility, strength in weakness, and light in the darkness of human existence.

### **The wisdom of tenderness Helena Roth**

Fascinating to listen to the wisdom of tenderness this old gentleman has, towards life, all of it, regardless. And to hear him speak of growing older, and absolutely loving it. Witnessing the increasing frailty of his own body, being in total acceptance that his mind no longer can keep up as it used to, that his body demands an afternoon nap and so on. It's just pure love. Magnificent.

### **The Wisdom of Tenderness amazon com**

"The Wisdom of Tenderness" focuses on our need to "let go and let God", as John Wimber used to say. It is about living a life of letting God minister his love to us. The chapter titled "Fierce Mercy" is worth the price of the book alone. By the end of this chapter, when Manning wrote, "We're so poor that not even our poverty is our own," I felt as if I had \*finally\* grasped Manning's message (with my heart) to quit trying to earn God's grace and just let him give it to me.

**THE WISDOM OF TENDERNESS What Happens When God's Fierce**

This testament to God's tenderness is a modern-day epistle to churches, though its core message is sometimes obscured by the author's personal issues with the institution.
