RELATED BOOK :

The Wisdom of Your Face Jean Haner

The Wisdom of Your Face brings the ancient art of Chinese Face Reading to life for modern Westerners. Jean Haner clears away outmoded superstitions and misunderstanding about this complex diagnostic system and goes directly to the psychological and spiritual wisdom at its core. In clear yet eloquent language, the author guides us into a world where the lines of a face are no longer viewed as aesthetic problems to be erased but rather as the sacred calligraphy of an evolving soul.
