The Wolf of Wall Street by Jordan Belfort Goodreads

Truthfully, I have very little interest in anything having to deal with stocks or Wall Street. So maybe the best advertising this book could have had was that a movie was being made on it, and that I am stickler for reading the book before I see the movie. I gave this book a shot, and I am glad that I did. The Wolf of Wall Street is compulsive reading.

world. Wall Street was in the midst of a raging bull market, and freshly minted millionaires were being spit out a dime a dozen. Money was cheap, and a guy named Michael Milken had invented something called junk bonds, which had changed the way corporate America went about its business. It was a time of unbridled greed, a time of wanton excess.
