The Wrath of Cochise: The Bascom Affair and the Origins of the Apache Wars by Terry Mort was one of the worst historical biographies I have ever had the unfortunate ability to read. Terry Mort who has no credentials in which to write a book about Cochise focused entirely too much on the idea of Bascom and too little of Cochise the subject topic. Detailing the details of Bascom's life while interesting is not useful in a book called the Wrath of Cochise.
