Come Home To Me Second Chances 1 by Peggy L Henderson

When you pick up Peggy L Henderson's Come Home to me, make sure you have lots of time. This story is so engaging you won't want to put it down until you get to the last word. I lost sleep last night because I couldn't stop until I knew that Jake Owens and Rachel Parker found their happily ever after. The story is engaging and draws you in. The characters are beautifully detailed and the journey across the Oregon Trail is rich with sights, sounds and smells.
