Time Riders Book Review Common Sense Media

This book takes that one step further by creating an agency of time riders to make sure that does not happen. In spite of all the high-tech talk about why things work and why they should be monitored, the story seems grounded in reality, and a complicated idea comes across clearly.

Timeriders by Alex Scarrow review Children's books

That's where the time riders come in. With every other book or film I've read or seen to do with time travel, it's been good and I've enjoyed it but at the same time - although I've wanted to
