Top Secret by John Reynolds Gardiner Goodreads

Top Secret was a very cute story. It was totally unbelievable, but at the same time taught the lesson that you can do anything you put your mind to, even when others believe you can't. I read it out loud to my 8 and 10 year old boys and they thought it was funny and enjoyed trying to decide if human photosynthesis just might be a real possibility.

Top Secret role playing game Wikipedia

Top Secret also features Areas of Knowledge, which function similarly to skills in more modern RPGs. Characters gain experience points and progress upward in level. The levels had relatively limited in-game effects (most significantly, gained experience points were divided by the character's level but the base mission pay was multiplied by the character's level).
