Life Changing Queso Dip Mexican Cheese Dip

Some recipes call for real cheese and varying combinations of cream / sour cream / mayonnaise but the problem with these is that when the dip cools down, the cheese congeals. It's super tasty but you need to keep it warm. And it has a tendency to split when rewarmed.

Nachos Cheese Dip and Sauce Recipe Tin Eats

This dip is great not only because it's a two-in-one recipe, but because unlike most other cheese dips and sauces, it does not separate and congeal as it cools and it is just as good (if not better) served cool or at room temperature as it is warm.
