Florida Keys travel Lonely Planet

If Florida is a state apart from the USA, the Keys are islands apart from Florida in other words, it's different down here. This is a place where those who reject everyday life on the mainland escape. What do they find? About 113 mangrove-and-sandbar islands where the white sun melts over tight fists of deep green mangroves; long, gloriously soft mudflats and tidal bars; water as teal as Arizona turquoise; and a bunch of people often like themselves: freaks, geeks and lovable weirdos all.
