Chef John's recipe uses semi-sweet, white, and milk chocolate chips for triple the chocolate impact!.. This recipe is very adaptable as far as what and how much you add to the basic dough. I used a normal amount of chips, but this amount can be doubled without issue. You can also toss in dried fruit and nuts fearlessly.

Triple chocolate chip cookies I Heart Nap Time

You could also use a milk chocolate chip instead of semi sweet. I also used two different kinds of cocoa powder (dark and natural unsweetened) to add an extra depth of richness, but you're more than welcome to use one or the other. If you'd like to make a double chocolate cookie, just use one type of chocolate chip and one cocoa powder. I love the triple effect from both the chips and chunks though. I also love topping them with a little bit of sea salt to really bring out the flavor.

Chewy Triple Chocolate Chip Cookies Chew Out Loud

These Chewy Triple Chocolate Chip Cookies stay wonderfully soft for days, which is forever a plus. The brown sugar gives a depth of flavor and richness to the texture. Salted butter plus a dash of salt gives these sweet treats a delicious balance. I love white chocolate chips, so I used those in conjunction with milk chocolate chips, to offset the unsweetened cocoa in the batter. The result is phenomenal.
