On True Crime Writing Crime Scribe

True crime might be seen by some as a poor relation to more respectable genres, but that doesn't mean you can lower your writing standards. Your writing style should be engaging and interesting, but never sacrificing substance for style. Consider covering the classics while still looking for either original cases or enough new information to revitalise old ones.

True crime Wikipedia

True crime is a non-fiction literary and film genre in which the author examines an actual crime and details the actions of real people. The crimes most commonly include murder; about 40% focus on tales of serial killers.
