Visit Turks and Caicos Islands Tourism and Vacation

The Turks and Caicos Islands, through its status as a British Overseas Territory, is a stable democracy with English as the official language. On our national flag, you'll see the Union Jack along with our crest. We have a locally elected government, headed by a premier, and an appointed governor. Due to the small size of the country, we don't issue our own money and instead use the US Dollar as the accepted currency in the islands.
