### **Box Turtle Books Box Turtles**

The book is geared more towards people that want a general overview of different types of turtles and tortoises rather than people looking for information about box turtles or any other specific group of turtles and tortoises. It is a great introductory type book about tortoises but anyone looking for a book about how to keep and care for box turtles have better options out there.

### **Turtles All the Way Down Amazon de John Green**

In contrast to other books by John Green this book in my opinion focuses more on its main character (and especially her inner "monologue") and less on the complexity of the story. Which in a way is something that the main character is accused of herself.
