Autobiography of Mark Twain Vol 2 Amazon de Harriet

The actual autobiography of Mark Twain is only 270 pages of transcriptions from his dictation of his 1906 attempt to write his life story. Following the narrative are an additional 150+ pages of notes, index and appendixes. Two more volumes will be published later. Third, this edition is a rambling text with no chronological sequence. Mark Twain told stories as he remembered as they came to his memory. None of these observations are negative but the reader should be aware of these differences.
