Under the Bed Amazon com Books

Our 10 month old son loves the rhymes, rhythm and pictures of Under the Bed. Even though he's too young to understand the story line yet he loves the grand finish with the picture of a smiling boy and a big "YOU!" at the end. We've got almost 20 story books but this is by far his favorite.

What's Under the Bed Book Review Common Sense Media

This highly stylized book (the first-time author/illustrator has worked as a concept artist for Disney) is a welcome addition to the "something scares me" picture book genre. The simple, rhyming text says little but the dramatic illustrations effectively convey the young boy's increasing fear. Fortunately, worried preschoolers can rest assured that no monsters are lurking. And Fred faces his fears with happy results.

Naturally, Dad tells Little Bear to go back to sleep, but Little Bear keeps on insisting that a monster is lurking under the bed. Finally, Little Bear tells Dad something about that monster that simply cannot be ignored. A wonderful, pop-up paper monster on the book's final spread will surprise every little boy or girl who opens this book. Full-page illustrations on every page are rendered in darkly atmospheric colors.
