RELATED BOOK :

Popular Under The Sea Books Goodreads

All of these creatures woke, slept, played, swam about, and lived their whole lives under the sea, unconcerned with what went on above them. But there were other animals in this land, strange ones, who spoke both sky and sea.

Under the Sea by Anna Milbourne Goodreads Share book

Under the Sea is a beautifully illustrated book, with splashes of colour that animate the world under the sea. It is a short tale which explores and ponders what life lives under the sea. The use of descriptive vocabulary and adjectives is extremely useful for English grammar lessons in Reception classes.

Under the Sea Picture Books Anna Milbourne Cathy

Nice little book about sea creatures for preschoolers and under. The artwork is very pretty. The animals are engaging. I just wish there had been a bit more to the book like a section on arctic seas or something. It just seemed like more ocean ecosystems could have been presented.
