Unreliable Memoirs by Clive James Goodreads

I read Clive James's Unreliable Memoirs when I was a young traveller in the UK (and then immediately reading the sequel Falling Towards England). I remember laughing out loud when reading it, possibly the first book that had ever prompted me to do so. Recently I re-read it, prompting only the occasional guffaw. It's still great fun. I'll never forget his metaphor - sailing through Sydney heads (towards England) was like being born again.
