### **About Up Your Score Workman Publishing**

The Up Your Score books are nothing like those other test-prep books, the ones you would only read as a cure for chronic insomnia. For one thing, they're the only test-prep guides written by actual students who aced the test. These kids have been in your shoes, so they know what you want: proven strategies for outsmarting the tests, of course, alongside heaping portions of humor, illustration, and the latest pop culture references.
