Simple Vanilla Syrup The Fountain Avenue Kitchen

The vanilla option will further enhance the taste of baked goods that already carry the vanilla flavor.

Additionally, simple syrup works well in dressings and vinaigrettes that require a bit of sweetener and are ideal when you want some sweetness with a neutral flavor i.e., you're not seeking out the more robust flavor of a liquid sweetener like honey or maple syrup and you don't have agave syrup on hand.

A thicker syrup can be made by reducing sugar amount to 1 cup. The thicker syrup is more for iced coffee. The thin syrup makes great vanilla soda with 1/4 part syrup and 3/4 part soda water. The thin syrup plus sweetened condensed milk on shaved ice makes a great snow cone. Store in the refrigerator until ready to use. I use clean Ball jars for storage.
