Important Correction to Veggie Burgers Every Which Way: In the first printing of Veggie Burgers Every Which Way, Mushroom Burgers with Barley is incorrectly denoted as gluten-free in the table of contents and on page 64. In fact, barley is a wheat-free grain, but it is not gluten-free. Some people who follow a wheat-free diet are able to eat barley, while people who follow a gluten-free diet do not eat barley.

Veggie Burger Recipe Leite's Culinaria

This was the best veggie (well, technically, vegan) burger I ve ever had. It was definitely every bit as satisfying as a meat burger. Personally, I wouldn t eat it on a bun as it already has grains in it and besides, it was a little too crumbly to eat with your hands. However, it made an amazing fork-and-knife meal with a dollop of guacamole. The recipe made 4 BIG burgers. And don t peel the potato. Leaving the peel on helps the potato work better as a binder.
