Veronica Mars Here for the Miniseries But More Books Please

I want to watch that. We all deserve to watch that. And it s possible with the novel series. The reason the books were so satisfying to me was that each read like a season of the show, and even though it wasn t written in first person it was very much in Veronica s voice. I was instantly transported back into her world and it was perfect. Lee Child has like twenty books starring Jack Reacher.
