

VICTORIAN PERIOD IN ENGLAND

RELATED BOOK :

Victorian era Wikipedia

In the history of the United Kingdom, the Victorian era was the period of Queen Victoria's reign, from 20 June 1837 until her death on 22 January 1901. The era followed the Georgian period and preceded the Edwardian period, and its later half overlaps with the first part of the Belle époque era of Continental Europe.

During the Victorian period in England where were toilets

If you mean the flush-mechanism itself, there was normally a dedicated room, just as there is today. If you mean the room where said fixture, along with a sink, etc., might be found, it depended on the house as well as the era.

The Norton Anthology of English Literature The Victorian

The Victorian era was a period of dramatic change that brought England to its highest point of development as a world power. The rapid growth of London, from a population of 2 million when Victoria came to the throne to one of 6.5 million by the time of Victoria's death, indicates the dramatic transition from a way of life based on the ownership of land to a modern urban economy.
