### **The War Audiobook by Geoffrey C Ward Ken Burns**

The audio book description has this is an abridged audio. I am not sure if this was an actual book, but this was a 5 part mini series on PBS and this boom is adapted from that. So this is not an abridged book version but an abridged from a 5 part documentary. So if you tend to stay away from abridged books, don't worry.

### **Best Audiobooks Ever 1376 books**

I think I would have enjoyed the book much more had I read it instead of listened to it. I also disliked "Gone Girl" because I found Julia Whelan's voice grating. My favorite from this list is "Life of Pi." I thought Jeff Woodman's voice was soothing and well suited for this book. I could listen for hours at a time.
