

WAR IN HUMAN CIVILIZATION

RELATED BOOK :

War in Human Civilization by Azar Gat Goodreads

In War in Human Civilization, Azar Gat tackles two major questions about war. First, what are the essential reasons why humans fight wars? Second, how have the motivations, practices, and lethality of war changed as human civilization has transformed over time? Although the book is a challenging read given its length and dense writing, Gat offers much illumination on these and other questions.

Azar Gat Wikipedia

Azar Gat started his career focusing on military history and strategy, exemplified in his 1989 book The Origins of Military Thought from the Enlightenment to Clausewitz, a book frequently cited especially in relation to Carl von Clausewitz. Over the years he has broadened his scope to include causes, especially the prehistoric causes of war.
