RELATED BOOK :

War and Peace Wikipedia

The standard Russian text of War and Peace is divided into four books (comprising fifteen parts) and an epilogue in two parts. Roughly the first half is concerned strictly with the fictional characters, whereas the latter parts, as well as the second part of the epilogue, increasingly consist of essays about the nature of war, power, history, and historiography.

War in Peace By Nick Howarth

This book is not meant to stir emotions or to change political outlooks. Its intention is to open people's eyes as to what was really going on in South Africa during the transitional period leading up to the 1994 elections. That they passed peacefully is in itself a tribute to the riot policemen who worked the East Rand townships in the late 80s and early 90s. Without them it is possible the elections could well have gone horribly awry.

War and Peace by Leo Tolstoy Goodreads Share book

"[War and Peace] is positively what might be called a Russian Illiad. Embracing the whole epoch, it is the grandiose literary event, showcasing the gallery of great men painted by a lively brush. I tried for five months to write something more polished, less rambling.
