RELATED BOOK :

Chapter 1 Introduction The Citizen and the Government

The goal of politics is to have a share or a say in the composition of the government's leadership, how the government is organized, or what its policies are going to be. Having a share is called power (influence over a government's leadership, organization, or policies) or influence.

We the People United States Constitution and Government

The United States Constitution is a document that describes the rights people in America have. It is the world's oldest plan of written government. The Constitution is the "Supreme Law of the Land," meaning that it must be obeyed by everyone. This document also explains how our government works and describes the three main branches of government: the legislative branch, the executive branch, and the judicial branch.
