

WELL TEMPERED HEART

RELATED BOOK :

A Well Tempered Heart by Jan Philipp Sendker

I was really blown away by Jan-Philipp Sender's first novel entitled The Art Of Hearing Heartbeats and consequently, began the sequel with high expectations. Unfortunately, as often happens when you expect too much, you're in for a letdown. The Well Tempered Heart did shine in many aspects.

A Well Tempered Heart Jan Philipp Sendker

An absolutely transcendent novel that doesn't just dare to understand the human heart, it inhabits it. About love, unspeakable loss, and coming to know what really saves us in life, this is the kind of stunningly perfect novel that changes lives. I know it did mine. To say I loved it is pure understatement.
