I was almost irritated. After all, Markham is dead. She can't speak up and say, "that's not how it happened. Read the book I ALREADY WROTE if you want to know." Now that I've finished West with the Night, I understand why McClain wanted to write Circling the Sun.

### **West with the Night by Beryl Markham Goodreads**

This is the fourth book I've read on my Beryl Markham-related splurge, which started with Paula McLain's historical fiction "Circling the Sun," which is based on Beryl's life. "West With the Night" is Beryl's own memoir of her early life, told in chunks from childhood to her historic flight from Africa to Nova Scotia in 1936.

### **West with the Night Wikipedia**

West with the Night is a 1942 memoir by Beryl Markham, chronicling her experiences growing up in Kenya (then British East Africa) in the early 1900s, leading to celebrated careers as a racehorse trainer and bush pilot there.

### **West With The Night by Beryl Markham amazon com**

You don't even know from West with the Night that Markham's father practically forced her into marrying an older man at the age of 17 because her father was moving and didn't know what else to do with her. These events undoubtedly shaped Markham's courage and ambition, but West with the Night doesn't tell us how.

### **West with the Night Beryl Markham Macmillan**

A new edition of a great, underappreciated classic of our time. Beryl Markham's West with the Night is a true classic, a book that deserves the same acclaim and readership as the work of her contemporaries Ernest Hemingway, Antoine de Saint-Exup ry, and Isak Dinesen.

### **Review of Beryl Markham's West With the Night**

This exceptionally beautiful book is the memoir of renowned Kenyan aviatrix Beryl Markham. It has engendered much controversy over whether Markham herself wrote the book. It now appears to be pretty reliably proven that her third husband, the writer Raoul Schumacher, was the author. However, the story is still that of Beryl Markham and it is the extraordinary story of a remarkable woman.
