The "what can I bring" cookbook has many great ideas for bring along foods. The lady Byrn has a good feel for this kind of foods. The Gorgonzola cheeseball was a special hit at several potlucks I took it to, along with my family gathering at Xmas time. The book is laid out by types, salads, aptizers, etc. I downloaded it on to my Kindle from the Amazon website, great when someone asks what is in this? As my Kindle goes every where with me, great to have a book ready anywhere you are stuck.
