What Do You Care What Other People Think by Richard Feynman

"What Do You Care What Other People Think?" is another series of adventures of a legendary physicist Richard P. Feynman, a sequel to "Surely You're Joking, Mr. Feynman". This time, we witness his teenage and adult life, and his early relationship with his father and wife, which didn't show much in the first book. Furthermore, we take a closer look at the details of his experience working with NASA on a committee to investigate the space shuttle disaster in 1986.
