All I Really Need to Know I Learned in Kindergarten by

All I Really Need to Know I Learned in Kindergarten was Fulghum's first collection of essays. I liked his style then, and still do. His writing reminds me of Mayberry it evokes a sort of down-home feeling that brings to mind warm apple pie cooling on an open window sill, children playing on lazy summer afternoons, and neighborly conversations over backyard fences. Fulghum does a nice job of exploring simple things from a profound and thoughtful perspective to gently guide the reader to wisdom.
