What is a Franchise Franchise Opportunities

Franchising is also a Contractual Relationship. While from the public's vantage point, franchises look like any other chain of branded businesses, they are very different. In a franchise system, the owner of the brand does not manage and operate the locations that serve consumers their products and services on a day-to-day basis.

Franchise Investopedia

A franchise comes with a built-in business formula including products, services, even employee uniforms and well-established brand recognition such as that of McDonald's. Depending on the franchise, the franchisor company may offer support in training and financial planning, or even with approved suppliers.
