Cancer Horoscope Cancer Zodiac Sign Dates Compatibility

Family - Cancer is the sign of family and these individuals care about family bonds and their home more than any other sign of the zodiac. Deeply sentimental, they tend to diligently preserve family memories, keeping them intact for years. When their personal lives are fulfilled, they make wonderful, caring parents that seem to know how their children feel even when they are miles apart.

Cancer Zodiac Sign Information On Cancer Astrology

Cancer is the astrology sign that is packed full of contradictions so when it comes to independence, they possibly can or can not be independent. On one side, they have the perseverance and drive to do what needs to be done, they are self-sufficient and do not need to depend on other people for the material and physical things in life. On the other hand, they depend on people for emotional support and encouragement.

Cancer astrology Wikipedia

Cancer is said to be the house of Neptune and the exaltation of Jupiter, both astronomical bodies having influence over those born under Cancer. In Vedic astrology the sign is named Karka and its Lord is Moon. In ancient times, Cancer was known as the "dark sign" because of the obscured visibility of its constellation in the night sky.
