A List of Income Tax Rates for Each State The Balance

Among the states that do have income taxes, many residents get a break because the highest rates don't kick in until upper income levels. But this isn't the case in the eight states that have flat tax rates. These jurisdictions don't care how much you earn. If you bring in \$5,000 a year, you'll pay the same percentage as the guy who earns \$5 million. As of January 1, 2018, flat tax states include:
