What Maisie Knew by Henry James Goodreads Share book

The Book Description: What Maisie Knew (1897) represents one of James's finest reflections on the rites of passage from wonder to knowledge, and the question of their finality. The child of violently divorced parents, Maisie Farange opens her eyes on a distinctly modern world. Mothers and fathers keep changing their partners and names, while she herself becomes the pretext for all sorts of adult sexual intrigue.

What Maisie Knew Wikipedia

What Maisie Knew is a novel by Henry James, first published as a serial in The Chap-Book and (revised and abridged) in the New Review in 1897 and then as a book later that year. It tells the story of the sensitive daughter of divorced, irresponsible parents. The book follows the title character from earliest childhood to precocious maturity.

What Maisie Knew English Edition eBook Henry James

What Maisie Knew (1897) seemed to be the best candidate. It is considered to be one of his major works, and one of his most interesting. Its themes have remained relevant, maybe unfortunately so, even 120 years after the novel was published. Beautifully crafted and not marred by obscurity, _What Maisie Knew_ is an engaging novel with a highly sympathetic protagonist.

What Maisie Knew online literature

Unusually for James, What Maisie Knew held me from the very start, which is more than I can say for the somewhat later novel The Awkward Age (1899) that I'm very slowly reading. Still, I adore Henry James.

What Maisie Knew Henry James Google Books

Maisie - solitary, observant and wise beyond her years - is drawn into an increasingly entangled adult world of intrigue and sexual betrayal, until she is finally compelled to choose her own future. What Maisie Knew is a subtle yet devastating portrayal of an innocent adrift in a corrupt society. Part of a relaunch of three James titles.

What Maisie Knew by Henry James Paperback Barnes Noble

My Take: What Maisie Knew was written in the late 1800's, but the subject matter is as timely as ever. Maisie is a young girl who is a victim of her parents' bitter divorce. With custody split between the two, she is repeatedly used as a weapon against the other. Example: Her father tells her to tell her mother that she is a nasty, horrid pig (not Maisie, Maisie's mom Ida). You can feel the

This is an exceptionally acted and written film, the premise of which is based on a book over a hundred years old. All of the story is told from Maisie's point of view so we aren't privy to all the details of the deteriorating relationship between her parents but we get to see that despite people trying to protect children in such situations
