What to Expect When You're Expecting Amazon de Heidi

People say this book like bible for mommy and its truely is. All you need is provided very details from the first days of pregnancy. What I like most is after each chapter, there is a summary that I can show my husband and urge him to read it too. A must have book for those expecting for the 1st time.

What to Expect When You're Expecting Heidi Murkoff

You will enjoy it if you treat it like a reference text. This text does not read like a book in that you can sit down and read it from cover to cover. In fact, I only read sections of the book as they were applicable. This book is fairly informative and any new parents would benefit from reading it.
