### **Whatever After Fairest of All Book 1 English Edition**

I enjoy fairytales and fairytale retellings, and Fairest of All is no exception. It's a quick read with an easy voice and cool characters, and I especially liked the inclusion of the seven dwarves (not all of whom are male!). It's a good book for younger readers interested in fairytales, and the idea of literary history being changed by a modern girl is an interesting one sure to spark many a conversation.
