Boy Meets Girl Say Hello to Courtship by Joshua Harris

Let me say up front that I enjoyed this book more than Joshua Harris' first book, I Kissed Dating Goodbye. Not that that book was a dud or anything, but Boy Meets Girl has Harris in the now-married-and-able-to-look-back-on-courting role.

Boy Meets Girl Christian Book Distributors

In Boy Meets Girl, Joshua Harris the guy who kissed dating goodbye makes the case for courtship. As old-fashioned as it might sound, courtship is what modern day relationships desperately need. Think of it as romance chaperoned by wisdom, cared for by community, and directed by God's Word.

I had forgotten how awesome and entertaining Cabot's books are. Boy Meets Girl was hilarious. It had me laughing my ass off and it's been a while since I've read a funny book. The story was okay but the writing style got me because it was so easy to read. I read it in one day itself, it was that easy and fast paced. Witty characters with a sense of humour made this book a thrill to read.
