Gatsby Dress Amazon com

My pre-pregnancy dress size was a medium so I ordered an XL because I wasn't sure of how much stretch the dress would have. The chest and shoulder area was a little big but I wore a fur vest so that wasn't an issue. Plus, I'm only a C cup. I'm 5'8 and a half and weighed about 225 when I wore this dress. Length was fine. Fringe had to be trimmed a bit as some of them hung lower and a couple came off by the end of the night. Overall, this dress was a great buy for the occasion.
