How to Find Investors for Real Estate Bizfluent

Finding cash, whether your own or from other investors, is the biggest obstacle to developing a real estate investment business. Though new investors have invariably heard about no-money-down deals, buying properties for pennies on the dollar, and walking away from the closing table with cash in pocket, they quickly find out that most of that is hype. Some of it is just plain illegal. In the real estate business, cash is still king.

Real estate entrepreneur Wikipedia

A passive investor might hire a real estate firm to find and manage an investment property for him. Typically, investors choose real estate for several reasons: cash flow, capital appreciation, depreciation, tax benefits and leverage. Appreciation occurs over time, generally, though an investor may "force the equity" in a property by making enhancements to it or the surrounding environment to increase its value.
