Who Was William Shakespeare by Celeste Davidson Mannis

Who Was William Shakespeare by Celeste Davidson Mannis, it covers his childhood and late adult hood and very small section on his young adulthood. There are some very informational parts of the book then there are not. I HATED it!!!! This book, it was awful, it is the worst who was book ever!!! Half of the story is just not about him but more about London. In my opinion it should be called London and one famous guy named Shakespeare.
