Bishop Spong's book, "Why Christianity Must Change Or Die", has got to be one of the ten best books on religion I have read in the last few years. From The Creed's, 'We believe in God', to his parting, 'Shalom', the author writes clearly and compassionately for those of us about to enter the 21st. Century and who have their doubts about the relevance of a Christianity still being explained from a 1st. Century world view.
