### **Why Him Why Her How to Find and Keep Lasting Love**

I love Helen Fisher, I've followed her speeches and got to know her while reading Why We Love and this new book did not disappoint. She really knows how to translate more complex biological terms into common words anyone can grasp and seriously can get you interested in science in a heartbeat. Her profound investigation mostly comprises several different theories and makes it easy to relate them to each other.

And while I can certainly understand why that might be the case, I would have had a bit more respect for her research if she'd been able to overcome her own bias while elaborating on all the types. Still, her perspective certainly provides some food for thought, and I found the chapters targeting the biology of how we meet and choose those we love fascinating.

### **Why Him Why Her by Helen Fisher Interview BookPage**

Love, it is said, is the magic that turns our world. But sometimes that world's axis seems to tilt, revolutions wobble and love goes awry. Since February is the time when we pay special court to Cupid, BookPage asked one of the world's leading experts on love and attachment, Dr. Helen Fisher (Why We Love), to discuss how personality typing
